

Who We Are

Jas Productions, a young exciting group of experienced and energetic Disc Jockeys. A group of entertainers that have been entertaining the New England area for over 15 years. Jas Productions has hand picked their staff to ensure the proper diversity to service the clientele every request. The company's policy is to provide [*"The Next Level of Entertainment"*](#) and to understand that total customer satisfaction is our goal!! Here at Jas Productions we provide a variety of complimentary services as well as total entertainment packages. Our DJ's and Entertainers are exceptional, and will go to no extent to see that you are totally satisfied with your expectations. At Jas Productions we have practiced a "YES WE CAN" attitude in planning, executing, and delivering the exact package in detail as we discussed prior to your event.

Services

Stumped on an idea for a particular event? Call us and we can help! Jas Productions has seen it all, from corporate parties, weddings, bar/bat mitzvah's, barbecues, proms, beach parties, school dances and the list goes on... I think you get the point. When you think of Jas Productions the words accommodation and diversity come to mind. We encourage you to call us so that we can help make your event a great success. Whether our services include limousine transportation, photography services, floral arrangements, or videography, we guarantee to create a finely tuned team of professionals that we have worked with over the years to make your event a great success.

Get To The Point!

Music is the most important reason you may or may not continue to reserve our services. Jas Productions continuously invests and researches to obtain the most updated material on the market today. Currently we are involved as active members in the services provided by Promo Only, and Radio Program Management. These are the two largest music suppliers in the USA and they guarantee the latest hits on the radio including, Hip Hop & R&B, Disco, Dance, Techno, Country, Easy Listening and YES the 50's & 60's and many more. We feel that subscribing to the best, creates the best. A DJ's music collection is never complete because the music industry continues to grow and is always changing; however we strive for perfection and guarantee satisfaction.

The Benefit
