

Packages:

Jas Productions offers several unique packages that can accommodate your event no matter the size or type of event. Here at Jas Productions we will customize your package to meet the needs for your event, and will not over sell you a package that is not needed.

Some events may require a quiet background setting for a cocktail hour, pre-party or silent auction, however your event may have higher demands with lots of energy, sound and concert style lighting, and sometimes events require both settings! Whatever the case may be our staff is prepared to overcome any challenges you may bring to the table.

Please take a moment to glance at some of our most requested packages that has fulfilled our clients request in the past. Please keep in mind that all packages can be changed and customized to fit the perfect atmosphere you're looking for.

Jas Productions has changed over to the digital world, supplying you with the most updated technology to deliver "The Next Level Of Entertainment" This allows us to deliver over 20,000 songs and continuously growing to every event that we attend, at a much higher quality. Some people ask about the quality of MP3's or WAV files. Our music collection was converted at a higher rate than most CD's are delivered today your local music stores.

"Look No CD's!"

As with all our packages:

- * Special power arrangements may be required for larger packages.
- * A travel charge may be applied for distances more than 20 miles from the center on Boston.
- * In some cases a fogger may not be used, a Confetti Canon can be substituted for an additional fee.
